

## RESOURCE DIRECTORY OF NETWORKS/AGENCIES IN AFRICAN PUBLIC POLICING

Centre of Criminology  
University of Cape Town  
2007

This Resource Directory has links to networks/agencies active in the research and policy fields of African police. The links include state-based and civil society organisations located at the national, regional or transnational level. It consists of general and country specific links. The aim of the directory is to contribute to the sharing of information among scholars and practitioners by providing easily-accessible contact information. Please contact us if you would like to suggest other networks and agencies that should be included. The online links can be found on the *African Police Resource Network (APRN)* website at [www.aprn.org.za](http://www.aprn.org.za) which aims to be a centralised virtual resource that will assist scholarly research on policing in Africa.
